**Personal Profile:**

A versatile, industrious ex-member of the British military, having over 10 years experience worldwide in Military Management and Security. Since leaving the Armed Forces I established my own franchising network and have been continually employed in the civilian sector providing safety and security services in Eastern Europe, Iraq and lately in Sub-Saharan Africa. Adept at multi-tasking and seeing the 'bigger picture', I possess excellent administrative and man management skills and continually strive to develop my personal skills base, as an aid to my personal and professional development ( having completed HSE and BSc programmes ). I am approachable and an engaging person with the ability to motivate individuals, delegate responsibility and see projects through to their full conclusion.

**Key Skills:**

- ▶ Strong Leadership Skills
- ▶ Excellent Negotiation Skills
- ▶ Excellent Team Player
- ▶ Team Medic Skills
- ▶ Strong Motivational Skills
- ▶ Strong Interpersonal Skills
